Due Dates for Payment of Fees

New overseas students enrolling at the beginning of a year must pay the first semester's fees in advance including tuition, levies and other applicable fees and charges in order for the School to issue an electronic Confirmation of Enrolment (eCoE). Should a student commence with the School part way through a term/semester/year, the amount payable in advance will be up to a maximum of 22 weeks.

Fees thereafter are required to be paid one semester (half year) in advance, not before two weeks' prior to commencement of the semester. Payment can be made by Credit Card (Mastercard and Visa), Cheque or Bank Transfer.

Sunshine Coast Grammar School Foundation Building Fund Donations

Suggested Contribution \$250 Per Semester

The Sunshine Coast Grammar School Foundation Building Fund Account assists in the construction of buildings and other educational facilities which are essential to enabling the provision of quality education. Donations to our Foundation Building Fund Account form an integral component of the School's Budget and Financial operations.

Fees Policy

It is the intention of the PMSA Board that the fee levels set prior to the start of each school year will remain in force for the whole of that year. However, the right is reserved to change the level of fees during the course of the year if factors outside the control of the Board impact significantly upon the cost of operating the School.

Change of Status – Australian Residency

Government funding arrangements dictate, in most cases, if the student changes visa status e.g., becomes a temporary or permanent resident, he/she will continue to pay full overseas student's fees for the duration of that year.

It is the responsibility of the student/family to advise the School of changes in residency status. Evidence of the change must be supplied at this time.

Withdrawal of a Student from the School

One term's notice in writing is required if a student is to be withdrawn from the School. One term's fees (including tuition and levies) will be charged in lieu of one term's notice.

Refund Policy

Refunds will be made in accordance with the Education Services to Overseas Students (ESOS) Act 2000 and the National Code of Practice. Refunds will be made in Australian Dollars and made payable to the student or parent/legal guardian unless instructed to pay to the Agent or another party as the case may be. Refer current Business Regulations for full details of the Refund Policy.

Business Regulations – Enrolments (Full Fee Paying Overseas Students)

A full copy of the current Business Regulations – Enrolments is available on the School's website. These apply to enrolments prior to 31 December 2022. Enrolments after 1 January 2023 should refer to the current Enrolment Contract.

* In the event of visa refusal, the enrolment confirmation fee will form part of any refund calculation, as per the School's refund policy.
