# SUNSHINE COAST GRAMMAR *Speech and Drama*

## Why Join us?

Most students join our drama classes to gain confidence, work on their creativity, and make meaningful friendships. We sit down with your child and work out what they would like to achieve - it's entirely up to them. Feeling unsure or nervous? That's fine - everyone is at first. It is an incredibly supportive, encouraging, and welcoming environment. Our drama classes are available to all students in Years 2-12. We also offer individual and afterschool group acting classes. Students learn about performance through the process of creating and sharing performances, working with others their age, and creating friendships.
